

THE ORIGIN OF OUR LOGO: IXWORTH FREE SCHOOL

All Trust and Free School logos are structured into three sectors:

The Ixworth Free School identifier is on a green background representing the school colour. The image is of the Pakenham Windmill near Ixworth, one of only 37 remaining from 500 originally in the county. It is an important local landmark.

All Trust logos are in the same style. Further information is available from other logo origin sheets in the range.
