BECCLES
FREE SCHOOL

To Start: January 2019

Salary: £23,729 - £39,451 pro rata, dependent on experience

Beccles Free School, as with all Free Schools in the Seckford Foundation Free Schools Trust, was set up at the request of those members of the community who wanted to improve aspirations and rates of progress for young people of secondary school age. Our vision and ethos is therefore structured around achieving those overarching objectives.

Beccles is a confident and happy place, where our students receive excellent pastoral care and support in a small school setting. Our staff members know each of their students as individuals. As an all-inclusive school, we celebrate the successes of all of our students together as a community and we have aspirations that everyone will make progress above the national average.

We are seeking a talented, part-time (4 days per week) Teacher of MFL (specialising in French) to join our Language Department. Whether you are an NQT or an outstanding teacher looking for a new challenge, you will play an active role in the School's development as we continue to grow year on year, working in an environment where you will really make a difference. MFL is taught from year 7 through to GCSE. You must be committed to raising the standard of our students by creative and engaging teaching.

A cross-trust Lead Practitioner role may be available for the right candidate.

There is also the opportunity to get involved in Enrichment, which takes place on Wednesday afternoons, where you will have the opportunity to help enhance the students' learning with an extra-curricular activity.

You will help nurture the potential in every student, inspiring and developing them to ensure they succeed.

Why join us?

- We provide a happy and supportive work environment, with high expectations of staff and students, together with a competitive salary based on skills and experience;
- You will have access to promotion opportunities, and superb professional development across all of our Free Schools;
- Suffolk is a beautiful county, with access to London for the occasional night out or theatre trip. Very close to the coast, with countryside walks and excellent food and drink.

INTRODUCTION

FROM THE

HEADTEACHER

BECCLES
FREE SCHOOL

I am delighted to have been given the fantastic opportunity to lead both Saxmundham and Beccles Free School from April 2018.

Beccles is the highest performing school in the Beccles and Bungay area with a Progress 8 score that demonstrates that we are absolutely dedicated to the development of high academic achievement along with a student-centered approach to learning.

We believe that our young people are capable of truly fantastic things and we expect them to strive to achieve their very best whilst studying with us.

Working with parents, carers and the local community, we look to provide a range of opportunities for our students to enjoy their learning and excel.

Our students tell us that they value the way lessons are delivered at Beccles and the strong relationships that exist in school between students and staff. This is only possible because of our small size.

We offer a traditional curriculum that enables our students to flourish academically and lay the foundations for their successful progression into post-16 learning. Our strong pastoral support system and wide range of enrichment activities help our students to develop and contribute positively to the local community.

As an inclusive school we celebrate the successes of all our students together as a community and we have aspirations that everyone will make progress over and above the national average. Full details on our curriculum and enrichment activities are available on our website.

At the heart of our success will be a strong and positive partnership between parents/carers students, teachers and wider friends of the school. Our '6Cs to Success' underpin how we expect every member of our school community to approach learning and behavior. To facilitate excellent communication we encourage open dialogue between home and school. To read more about our vision and ethos, please visit <http://www.becclesfreeschool.org.uk/us/vision-ethos/>.

I would like to invite you to visit us and meet our students to find out more about our offering. Please contact us to arrange a visit.

Thank you for your interest in our school and I would like to take this opportunity to wish you well in your application.
